Instrumentation

Attractive instrumentation on a motorbike, what Guzzi enthusiast could resist?
The question is, whether they are fully operational and indicate speed and distance correctly!

ESCHER have introduced a service and will overhaul instrumentation on your Italian dream machine.

Regardless of the problem -we'll take care of it!
If it cannot be repaired, for whatever reason, the support team at Escher's will seek a replacement for you.

Contact us for further information, or just send us your defect instruments.
